A Mother's Wish

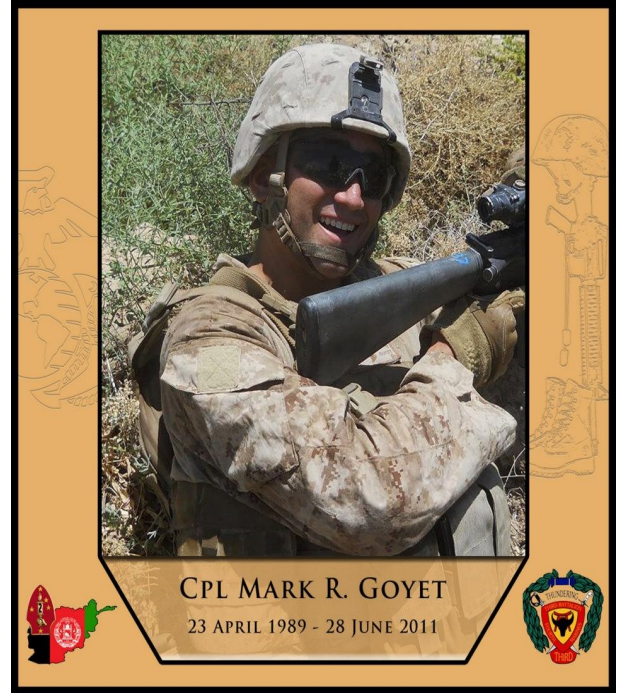

As a Gold Star Mom, there is not a day that goes by that I do not mourn the loss of my son. While I am immensely proud of his service to his country that resulted in his ultimate sacrifice, I am also driven to honor his memory each and every day.

After his cremation, we wrestled with locations for his final resting place. The decision was made to inurn Mark at the Arlington National Cemetery. Mark was buried with full military honors befitting his hero status. There was a degree of closure that I had not known as my son was finally resting with some of this nation's finest. He is in good company.

My wish is that a part of Mark lives on through this scholarship helping young people achieve the same goals that Mark aspired. It gives me the opportunity to continue to tell the story of my only son, of his gentle and kind nature, and selfless devotion to his friends. He was a great son who evolved into a fine man, and a proud Marine.

The Foundation's Principles

Greater love has no man than this—that one lay down his life for his friends”, John 5-13.

The Taliban took the life of this affable and noble young man in the prime of his life, but they created a hero whose memory will not fade as he continues to inspire us all. The main purpose of this charity is to serve as a college scholarship fundraiser. The Board of Directors vote on applications that exemplify the traits that became the hallmark of Mark's legacy:

- ◆ Selfless actions helping others
- ◆ Demonstrated team-building skills
- ◆ Evidence of overcoming adversity
- ◆ Strong display of servant leadership
- ◆ Commitment to extra-curricular activities

No salaries are paid and all work on behalf of fundraising is by volunteers. Administrative costs are less than 5% of all monies raised.
