On June 28th, 2011, Mark was killed in the Helmand Province, Afghanistan during a firefight which occurred while securing a village. The Taliban took the life of this affable and noble young man in the prime of his life, but they created a *hero* whose memory will not fade as he continues to inspire us all. This charity serves as a college scholarship fundraiser. The Board of Directors vote on applications that exemplify the traits that became the hallmark of Mark's legacy:

- ◆ Selfless actions helping others
- ◆ Demonstrated team-building skills
- ◆ Evidence of overcoming adversity
- ◆ Strong display of servant leadership
- ◆ Commitment to noble extra-curricular activities

Mark's Mother's wish is that a part of her son lives on through this scholarship helping young people achieve the same goals that Mark aspired. It gives her the opportunity to continue to tell the story of her only son, of his gentle and kind nature.
